

Soho Study Group Workshop
PAPER MAGIC!
October 7 at City College of San Francisco

The theme of this workshop is the use of paper. Our presenter Ivy Leung will explain and demonstrate original ways to use paper in hanakubari designs. Usually paper and water do not mix, but in this workshop, participants will work with a special paper, which can be in contact with the water.

Please note: number of participants is limited by material availability; please register early to avoid disappointment.
